## REaders Are Learners

*A Literacy Program for Adults with Developmental Disabilities*

### Be a REAL Volunteer Tutor!

We need patient people who are interested in helping others learn! Our volunteers are siblings, parents, teachers, retirees, and community members. Trainings for tutors are held periodically throughout the year. The first training is in January by the Literacy Initiative of the YMCA. A commitment to attend four 2.5 hour sessions is required. Volunteers do not pay a fee for the training.

Join us and treat yourself to the great feeling of helping an adult learn to read!

Reading is fun for both the student and the tutor! Call today and sign up!

*“Common sense should tell us that reading is the ultimate weapon—destroying ignorance, poverty and despair before they can destroy us. A nation that doesn’t read much doesn’t know much. And a nation that doesn’t know much is more likely to make poor choices in the home, the marketplace, the jury box and the voting booth.”*
